Dear parent(s),

These are the modeling videos your child has recently watched in class.

**THEME: DIFFERENCE**

Accept that everyone is different and free to be themselves. Accept other people's differences as a way to encourage openness, curiosity, tolerance and discovery.

✓	Type of video	Activity title	Objective
	<i>Webseries</i>	Same, but Difference	Accept the differences between yourself and others—they are what make us unique. Differences are what make you and other people interesting.
		A Little Differ-Aunt	Recognize that your differences are a strength and deserve to be shared and admired.
		All by Myself	Understand that showing empathy makes you more accepting of different personalities, which in turn helps you develop rewarding relationships.
		How to Accept Difference?	Embrace other people's differences with curiosity and acceptance; this is the basis of a harmonious society.

**HOW TO HELP YOUR CHILD ACCEPT DIFFERENCE**

**Step 1:** Encourage your child to accept other people's differences.

**Step 2:** Encourage your child to show empathy by putting themselves in the other person's shoes.

**Step 3:** Encourage your child to take an interest in people's differences by asking them respectful questions.

**Step 4:** Help your child notice the positive aspects of someone's differences.

By continuing your child's social and emotional learning with moozoom at home, you'll be able to see their progress and significantly contribute to integrating SEL into their daily lives.
