Dear parent(s),

These are the modeling videos your child has recently watched in class.

THEME: USING GOOD JUDGMENT

Use good judgment before doing anything that might have consequences for you or others.

✓	Type of video	Activity title	Objective
	<i>Webseries</i>	Chocolate Zombies	Become aware of the overuse of screens, think about the positive and negative consequences of screen use, and identify appropriate solutions.
	ZOOM-IN!	Serious Secret	Realize that some secrets are too big to keep, even if they're not yours, and that talking to a trusted person is a good idea.
	ZOOM-IN!	A Big Stink	Show good judgment by asking yourself whether a rumor is true and whether it might cause someone harm or pain if you repeat it.
	ZOOM-ACT	How to Use Good Judgment	Follow certain steps to show good judgment. Consider the consequences of your choices and make ones that will have a positive effect on you or others.

HOW TO HELP YOUR CHILD USING GOOD JUDGMENT

Step 1: Encourage your child to think about the situation and give their opinion.

Step 2: Talk to them about the possible consequences of each choice.

Step 3: Encourage your child to compare options to help them make the best choice.

Step 4: Tell them to make their choice and follow through on it.

Step 5: Remind your child to be proud of their decision.

By continuing your child's social and emotional learning with moozoom at home, you'll be able to see their progress and significantly contribute to integrating SEL into their daily lives.
